SACSSP's REGISTRATION GOES ONLINE!

The NEW ONLINE SELF-HELP REGISTRATION SYSTEM is **LIVE!**

On 1 June 2022 the new online registration system went **LIVE**. We interviewed our first online registrant, Mr Molomo Tshehla, a social work student, on the new system to get his reaction, he shared his excitement as he found the new system to *be so quick and easy to use and encouraged new applicants to use the system.*

Since 1 June 2022 when the new system went live, 23 student social auxiliary workers, 10 social workers, 11 student social workers, 10 auxiliary child and youth care workers, 6 student child and youth care workers and 16 child and youth care workers were registered on the new system, while the registration of 46 student social auxiliary workers, 29 social workers, 9 student child and youth care workers, 7 auxiliary child and youth care workers and 5 child and youth care workers were declined due to outstanding documents.

We advise social service professionals to avoid unnecessary delays by having valid documents at hand so as to attach when they are completing their online applications. Care must be taken also when selecting the category so that the application does not receive a pending or declined status whilst IT seeks to change the error made by the applicant.

PLEASE NOTE: If you missed the pre-launch on 30 May 2022, please join us on the 17 June 2022 from 10h00 to 12h00 for a session to guide students on how to access and navigate the online self-help system. Kindly confirm with LungqiM@sacssp.co.za to receive a Microsoft Teams link.
